[illegible]

Timing diagram for P3MM-NSM and ROOM-SOC signals. The diagram shows two sets of signals: I2C0 AP SCL and I2C0 AP SDA, and I2C1 AP SCL and I2C1 AP SDA. Each set has a rising edge (marked with a '1' in a circle) and a falling edge (marked with a '0' in a circle). The P3MM-NSM signal is shown as a high pulse during the rising edge of the SCL signal. The ROOM-SOC signal is shown as a high pulse during the falling edge of the SCL signal.
