The image displays five pin connection diagrams for different components, each showing a vertical list of pins on the left and a corresponding set of pins on the right, connected by lines. Ground symbols are shown at the bottom of each diagram.

- AP:** Shows pins 1 through 32 on the left and pins 1 through 32 on the right. A ground symbol is at the bottom.
- PMIC:** Shows pins 1 through 16 on the left and pins 1 through 16 on the right. A ground symbol is at the bottom.
- RF3:** Shows pins 1 through 19 on the left and pins 1 through 19 on the right. A ground symbol is at the bottom.
- RF_N78_PAM:** Shows pins 1 through 19 on the left and pins 1 through 19 on the right. A ground symbol is at the bottom.
- WIFI_TOP:** Shows pins 1 through 9 on the left and pins 1 through 9 on the right. A ground symbol is at the bottom.
